COMPARING

ULTIFRESH™ REUSABLE MASK TO WHO RECOMENDED FACE MASK

ULTIFRESH™ REUSABLE MASK

OUTERMOST LAYER

Function:

Limits external contamination/ droplets from penetrating through to the wearer's nose and mouth.

Material:

Anti bacteria fabric with Ultifresh treatment hydrophobic (repels water)

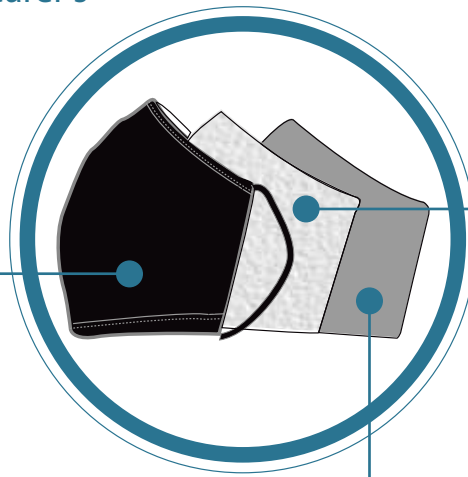

CENTER LAYER

Function:

Prevents germs from entering our nose and mouth.

Material:

Virus filtration sheets

INNERMOST LAYER

Function:

Absorb the heat and liquid droplets from our body, leaving our skin dry and comfortable.

Material:

100% softstyle cotton, hydrophilic (absorbs water)

DESIGNED AND MANUFACTURED ACCORDING TO WORLD HEALTH ORGANIZATION (WHO) RECOMMENDED FABRICS

INNER LAYER

Material properties: Hydrophilic (absorbs water)

Material examples: Cotton or mixed cotton

Function: Absorbs liquid droplets

MIDDLE LAYER

Material properties: Made from synthetic non-woven material that prevents water absorption

Material examples: Polypropylene or cotton layers

Function: Increase the filtration or absorbs liquid droplets

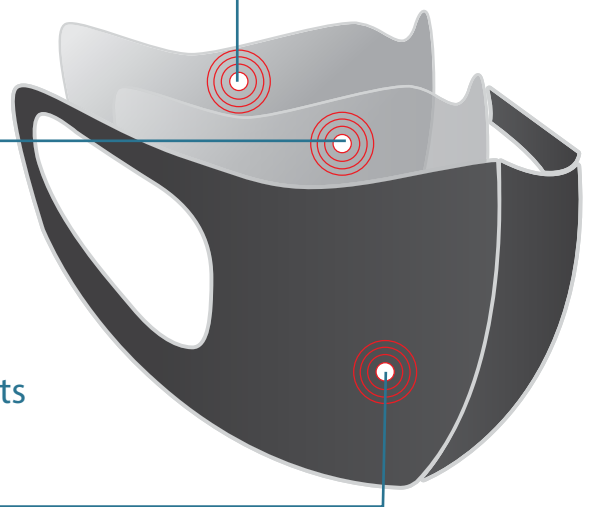

OUTER LAYER

Material properties: Hydrophobic (repels water)

Material examples: Polypropylene, polyester or a mix of both

Function:

Limits external contamination from penetrating through to the wearer's nose and mouth

by Sharif-Sharmizi S. Verified Purchase

3 weeks ago

Item arrived very quickly, I am pleased with the material and how easy it is to fit the filter into the mask. Because it is also not made out of a hard material, it means it is easier to breathe in and comfortable to wear. Recommended.

Color Family:1 Navy Blue Color Reusable Mask + 1 Virus Filter Sheet

"Yes, happy with the quality and pretty comfy. It fits well too!"
- **Elson, Nicole & Christy in the Steel Industries (JB)**

"Have my son to wear the mask as it offers maximum protection & fits his face contour with its construction."
- **Shermaine (SG) Researcher**

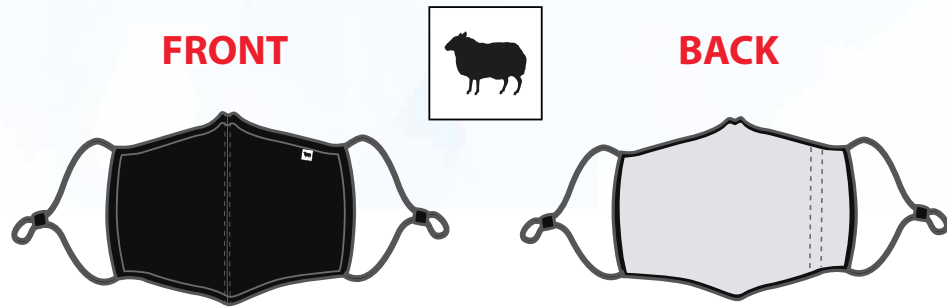

"The mask is awesome! 🥰 Dimensional cut design & high quality breathable material with additional adjustable slot for the filter. It's really comfortable. I can breathe well, love it so much! ❤️❤️ This mask is worth it. Definitely recommend this product. 👍" - **Beyonic**
